MAXIMIZING SPACE! MAXIMIZING BUSINESS!

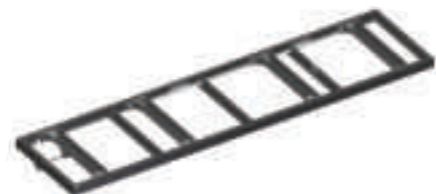

MOBISTACK NEO

- Modern compact shelving system for **space optimization**
- One dynamic aisle at any instant for access, **eliminating unproductive aisles**
- **Quick level adjustability** for changing storage needs
- Modular knockdown design for **future expansion**
- **Japanese technology** for undercarriage and drive units
- **Two tone colour** to enrich the working ambience
- Numeric lock for **secured access**

FEATURES

Rails
Rail assembly with slope plate on either side to facilitate safe people movement. Stopper at extreme ends of rails to avoid wheel over run.

Undercarriage
Sturdy Modular Design, hence flexible to future add-on unlike welded structures. Anti-tipping mechanism to ensure stability while movement.

Wheel Assembly
Combination of guided and plain wheel with self aligning plummer block assembly. Smooth and noise-free operations.

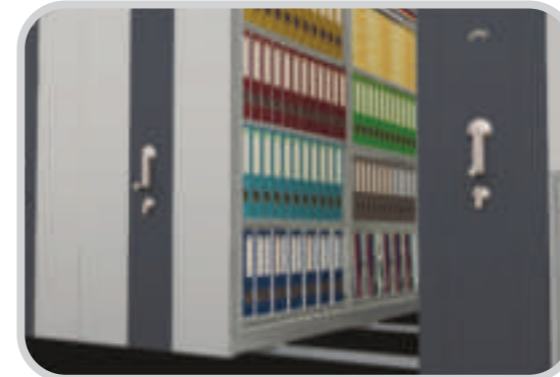

Drive Unit
Effort reducing design mechanism. Single handle drive for easy & ergonomic operation. Safety knob below handle ensures safe aisle for human access.

Superstructure
Quick level adjustability as no bolted shelves. Wider shelves for more storage space within level. Anti-toppling mechanism for taller units.
